MILWAUKEE RADIO AMATEUR'S CLUB BOARD MEETING OF MARCH 26, 1987

The Board convened at 7:00 pm at Wauwatosa East High School in order to approve a new set of by-laws so the Club could apply for tax exempt status with the federal government.

The board did not approve such status but required changes in the text as noted by H. Charles Kaetel.

The reworked by-laws were sent back to the attorney for the Club, Bob Fennig, for completion.

The Board would reconvene before the regular meeting of the members in order to approve the by-laws.

The meeting adjourned at 9:50 pm.
